

## ABOUT ETERNAL LIFE STUDIES

### Children of God & The Christ Studies Cradle Roll - 4th Grade

Focus is on the core foundations of God's love and Jesus through Bible Stories from the Old and New Testament. Cradle Roll - 3 yr olds will learn a Bible lesson that is reinforced through singing, crafts and activities. 4 yr olds - Kindergarten will learn lessons including people, events and action sequences of the Bible. 1st - 4th Grade will repeat the studies learned in the earlier years but with emphasis on reading, stronger application and gaining a better understanding. By the time a child begins in Cradle Roll and ends in 4th grade, they will have had over 230 OT, 180 NT lessons and been through the Bible twice!

### Faith Studies - 5th & 6th Grade

Focus will now transition to encouraging the student to do something with their faith, based on what was learned from the core foundations of the Old and New Testament. Heavy emphasis will be on God, Jesus, the Bible, Truth, Service and more. Students should begin to own their own faith, consider becoming a Christian and begin to live the Christian Life.

### Fides Immortalis - Faith Eternal 7th-12th Grade

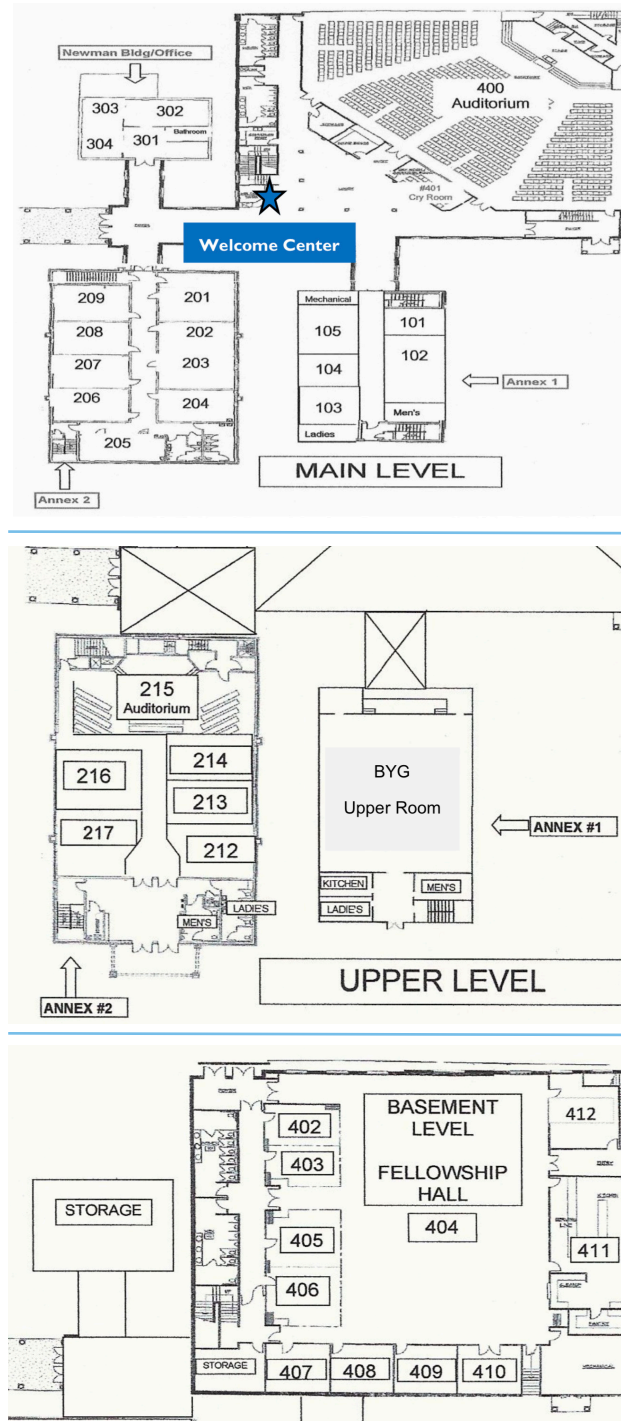

Focus continues to transition the life of the teenager to become stronger in faith. Students will participate in classes designed to provide a better understanding of how to apply God's word to their lives. The studies will strive to relate aspects of people, events and doctrines to current day experiences as they are taught about God's power, love and authority, using the Word, how to love like God, service to God, speaking the truth in love, and application of lessons from the Bible examples. Teachers and subjects have been matched based on a level of expertise and students can now enroll in a class based on their spiritual needs and maturity, not grade.

### Faithful Servant - Adults

Focus for the adult studies are to be challenged to grow in faith, how to become a faithful servant and to live a faithful life. Faithful servants continue to study the Bible and gain an understanding of God's expectations. A variety of classes are offered with the intention of addressing various needs, promoting individual spiritual growth, enabling you to be evangelistic and mission minded.

### THE 4 WILLS OF GOD

#### ANNEX 2 #216 WITH TODD NEWMAN

Are you willing to let God and His Word transform your life in doing His will? Have you ever asked yourself what is God calling me to do with my life, what is God's will for me, what is God's plan for my life or how can I live in harmony with the will of God? We have all asked these questions, in one way or another, at different stages in our life. The class will take a deeper look at God's Will for us by discerning between: 1) God's sovereign or revealed will through scripture vs 2) His permissive will, where not all of our choices please God, nor are they necessarily required by God vs 3) His providential will for all the things God has or will do because God has promised to do them. The outcome of the class will provide a better understanding of how to seek and find a way through the Will of God, as it pertains to your life. Align your approach of God's Will for you into 4 Wills – Believe, Abstain, Give Thanks and Submit to Do Good. This is a continuing class.
