MISSION INDIA OUTREACH
DECEMBER 2018: AN UPDATE

TYPHOON - DISASTER RELIEF

45 People lost their lives, Hundreds of Thousands became homeless,

lost access to Electricity, Food, Transportation, Emergency Medical services etc.

Please join us as we endeavor to display the love of our Lord to these individuals who lost everything!

This tragedy opened up opportunities to provide healing and hope to many thousands!

EMERGENCY MEDICAL ASSISTANCE TO THE NEEDY

The church here is in the process of providing:

Food, water, temporary shelter and medical assistance for around 2500 families

35 surgeries for individuals with fractures and other forms of injuries.

Drugs, disposables, wound care supplies for the ongoing Free Clinics.

If you are able, please help one of these families or individuals in need of surgery during this holiday season!!!

*****NEW PROPERTY*****

On more than one occasion, a dear brother and a friend, Keith from Tennessee kept telling me that there will be more land that is going to be donated for the Lord's work in India!!! Well, as much as I loved hearing that, I had wondered!!!

As we have been having issues with surveying for almost two years, my family generously decided to **purchase another property** and worked on the surveying, permits and donated the property for the work of the church **on top of the one that they have already donated!!!** When my folks found out that the permits for the older property is going to be delayed much longer, they resolved to get this done for the glory of God. God is working through the generosity of my family here in India and you, the family in the US to accomplishments much!

10,000 BAPTISMS

On October 28, the number of converts through this work in India went past **10,000** (10,113 to be precise). And on December 16, we witnessed the number of converts go past Three Thousand (**3004 thus far this year**) and the planting of Seventy Two (72) congregation! This is the highest so far in one calendar year since 2012!

OTHER MATTERS

* Sunday before Christmas, **157** Hindus turned to the Lord resulting in the planting of **four** congregations in three states through our TV Program, Water Filtration & Free Clinics.

** For the past month and a half, ATMs here quit working! Please pray for that situation! Since we depend on cash most of the time, this has hindrance and slowed down the efforts.

GREAT TRIP

*** My recent trip to the US has been great on many fronts! The relationships and partnerships God forged throughout the trip are invaluable to bring many souls in India to Jesus. On a personal level, God lifted up my soul through the renewed and newly formed friendships and partnerships! The mission here is intense and I need God's grace every moment to lead this ministry and through the partnership we have with YOU He continues to provide it abundantly!

Lord has opened many doors for the Preacher Training Housing, Expanded Clinic, Academy etc.

We are still in the process of finalizing one-time & sustaining commitments for 2019, esp., the funds for our flagship work of training evangelists. Currently we are **\$50,000** short of our yearly goal to train evangelists. If you are interested in partnering, it costs **\$1,800 a year** per evangelist!

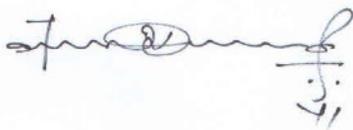

We are also trying to raise funds to help 7 new Bible teachers. It takes **\$700 a month** to help one!

Through the efforts of 75 graduates and many other evangelists, over 10,000 souls are redeemed in Jesus! As we continue to train and send out more evangelists, **that number will grow exponentially with each graduating class!** Please consider partnering with us in this Mission!

Thank you is just not enough for investing your lives in the eternities of millions of souls in India! We eagerly await to be a part of God's plans in India for 2019! Join us as we march ahead!

We wish you and your family a **Merry Christmas and a Happy New Year!!!**

Yours in Christ,

Mani Pagidipalli, M.D.
