Dear brethren at Buford,  
Praying that all is well with y'all!

I just wanted to share a quick update from the work here today! 75  
Hindus turned to our Lord leaving the worship of idols, spirits and  
even inanimate things!

We thank God for y'all and the partnership we have with y'all in this  
Mission!

Please continue prayers for all of us here as we continue to seek  
souls for the Savior!

Love y'all!

Mani

Dear brethren at Buford,

Praying that all is well with all of y'all on this Lord's Day!

I just have a quick update of few new Christians and a request for prayers! Here is the photo of two dozen new Christians who left Hinduism.

Please continue prayers for me, my family, and all the workers and souls we are trying to help!

We thank God for y'all and the partnership we have in helping people in India get to heaven!

Just one more quick update - The Christian Academies are growing numerically especially at this time as the new admissions are coming in from different places!

We have also received funds for a new bus to bring in more children from villages!

The laptops you provided are the highlight as not one school in town has any of them! Recently we celebrated India's Republic Day and the government officials who visited were visibly and sweetly surprised to see the laptops!

Thank you for investing in the lives of these young ones, especially their eternities!

Yours in Christ,

Mani

Dear brethren at Buford,

Please pardon me for too many emails in the recent times! Some of the sacrifices these new converts making are both heart wrenching and humbling at the same time! I wish we could do something to provide an alternative for their loss of education/employment. I am just writing to request your prayers for these young men and all of us!

**FIVE HINDU MEN LOSE EVERYTHING FOR CHRIST**

Their decision to be Christian **KICKED** them out of the schools and **FORCED** them to forfeit all government benefits!

There are thousands who are making such a life changing decision to make heaven their eternal home!

Yours in Christ,

Mani
